

COVID-19 Acknowledgment

I understand the novel Coronavirus causes the disease known as COVID-19 and that it is currently a pandemic. I understand that the novel Coronavirus virus has a long incubation period during which carriers of the virus **may not show symptoms and still be contagious**. For this reason, I understand that the Federal and Provincial authorities have recommended that Ontarians stay home and avoid contact with other people when at all possible.

I understand the Federal and Provincial authorities have asked individuals to maintain social distancing of at least two (2) meters (six (6) feet) and **I recognize it is not possible to maintain this distance while being on a boat**.

I understand that due to the visits of other boat guests/patrons, the characteristics of the novel coronavirus, and the characteristics of human interaction that I have an elevated risk of contracting the novel coronavirus simply by being on a boat.

I agree to complete a COVID-19 screening questionnaire as required by the Ministry of Health.

If I received COVID-19 test results in the past three (3) months, the last results received were negative. If applicable, approximate date of test:

I confirm that I am not waiting for the results of a test for COVID-19.

I confirm that this is not currently a period during which public health authorities required I self-isolate for 14 days.

I verify the information I have provided on this form is truthful and complete. I knowingly and willingly consent to being on a boat during the COVID-19 pandemic.

I further confirm that I release **Visual Venues Inc.** from any and all liability that may arise due to me contracting the COVID-19 and I further agree to save **Visual Venues Inc.** from any and all liability, any form of claim, action or proceeding, including all costs of defending same on a full indemnity basis.
